**CONTACT**

**THANK YOU**

A Computer Science undergraduate student with a strong interest in frontend development and a deep passion for fine arts. Skilled in designing clean, user-friendly interfaces with primary focus on functionality and aesthetics. Combining technical knowledge with artistic sensibilities I create visually engaging and intuitive digital experiences. A creative thinker, quick learner, and collaborative team member.

# INTRODUCTION

# **National Institute Of Technology Delhi**

## **2024–2028**

An Undergraduate student at National  
Institute Of Technology Delhi (NITD)  
pursuing Bachelors Of Technology in
